General experience overview

Constantina has been with Assured Legal Solutions since 2021 and has worked on various corporate, insolvency, lending, litigation, and property matters.

Acting for a myriad of clients, including small-to-medium enterprises, Constantina is dexterous in delivering meaningful value and results that better align with clients' short-term and long-term objectives. By understanding the balance between the law and achieving commercial solutions for her clients, she is able to provide technical and astute advice in a pragmatic and constructive manner.

Major transactions

Below is a selection of matters Constantina has worked on:

- Advising mortgagees in respect of enforcement action against defaulting mortgagors and/or guarantors, including the appointment of receivers and managers, and exercising their right to power of sale.
- Providing corporate governance advice and assistance to newly incorporated entities and existing corporations in compliance with ASIC requirements.
- Advising clients in respect of corporate structuring and other operational matters.
- Acting for clients in various litigious matters, including proceedings in the Local, District and Supreme Court of New South Wales.
- Acting on private equity roll-ups, including assisting a client in the acquisition of several medical clinics across Australia.
- Providing detailed advice to clients in respect of loan agency and bond trustee services, including ensuring compliance with the APLMA standard.
- Acting for, and providing advice and support to, a client regarding compliance with a section 530B notice served pursuant to the *Corporations Act 2001* (Cth).

- Acting for and advising several clients on conveyancing matters, including in respect of the subdivision of land and implementation of community associations.
- Acting for and advising clients in respect of AFCA complaints and dispute resolution processes.
- Providing commercial advice regarding the implementation of new products to market for a large multi-national organisation.
- Providing advice and negotiating services agreements, and other contracts, exceeding \$2m in value.
